Re: Freedom Of Information Request
Caroline Education Community International Public School Academy

Dear Mr. Farhat,

Pursuant to regulations that govern FOIA, and in my capacity as a Counsel, "Caroline Education Community International Public School Academy" request that Michigan Licensing and Regulatory provide the following information:

A copy of the "Letter of Authorization" Michigan Department of Education (MDE) issued to Licensing and Regulations, approximately 2004.

The MDE "Letter of Authorization" issued grants the Corporation Securities Division, Licensing and Regulations authorization to issue Articles of Incorporation as Caroline Education Community International Public School Academy for purposes of organization as an educational corporation.

Further, consistent with the Granholm Executive Order issued November 5, 2003, MDE authorized Caroline Education Community International to operate as a non-profit school pursuant to Michigan General Corporation Act, MCL 450.171; statutes and regulations.

Very Truly Yours,

Kevin M. Bannon
